

Personal Tributes on advising ETIA Ltd Members of Lola's passing.

Elissa Morriss, personal friend and carer.

Dear All,

I am writing to let you know that my friend Lola Mavor Green passed away peacefully at St Vincent's Hospital yesterday morning September 2nd. She continued to show great courage and determination right to the very end, but she is at peace now. I am not sure about her funeral arrangements but I will let you know when the details are confirmed by her family.

Warm regards Elissa Morriss

Brian Allen -President ETIA Ltd, colleague, personal friend and fellow subscriber member.

Thank you for letting me know.

Lola was such an integral part of ETIA that it is hard to imagine it without her. She was there at the beginning and was not only a Subscriber Member but its inaugural President. She served as the SEO of Queensland and later as the CEO of ETIA Ltd. She discharged all of these roles with integrity, dignity and the meticulous attention to detail that was the hallmark of everything that she did.

She was a wonderful Instructor and Trainer whose skills and compassion changed the lives of so many people for the better. It was fitting that her untiring efforts over so many years were recognised when she became the inaugural recipient of the Thomas Gordon Award for Outstanding Service.

At a personal level Lola was dealt many harsh blows by life but she faced all of them with the quiet dignity and courage that was so typical of her approach to life. The loss of her beloved daughter Louisa was the cruellest blow of all and if there is any consolation in her passing it is that she is now free of pain and united once again with Louisa.

I feel privileged to have known Lola and to have had her as a friend and professional colleague all these years.

Our thoughts and prayers are with Kenneth and all of Lola's family and friends. The world is the poorer for her passing.

Brian Allen

Linda Adams, Personal Friend of Lola and President of Gordon Training Institute, Solana Beach

Lola was one of the first people to get involved with PET and the other Gordon courses when they came to Australia. Through all the years since, she worked tirelessly with passion to teach the courses, train new Instructors and keep the ETIAQ organization thriving. ETIAQ was usually the most active and successful of all the Australian states and Lola deserves a great deal of credit for that. There are a few people in the world who have been outstanding ambassadors of the Gordon Model and Lola is definitely one of them. We are so fortunate that she decided to invest we time, energy and passion in this work and will be forever grateful to her. May she rest in peace.

Linda Adams

John Lizzio - Personal friend, colleague and fellow Subscriber member

Robert a most sincere thank you.

For ETIA Ltd you are the bearer of sad news, for Lola it will be heralding her entry into Eternal Life, and the best news possible. Where she will already be not only with the Lord she loved and to whom she was faithful through her life and especially through her sufferings, AND also she will have been reunited to her precious daughter Louisa, her mum and dad Green and her many rellies and special friends, including Tom Gordon and Speed Burch..

ETIA Ltd has lost a precious person AND ETIA Ltd is fortunate to have an advocate before the throne of God. Lola will be grieved not only in Australia, and also in New Guinea, Indonesia, Hong Kong, The Maldives and the many places where her teaching left the participants with tools for life and to share.

Lola was wise when wisdom was required, warm when warmth was needed, playful when light-heartedness was the order of the day. Her influence ranges far and wide. Her like will not pass our way again.

Peaceful regards to all those united in her influence and love.

May she rest in peace.

John Lizzio

Claire Henderson- SEO Queensland, colleague, collaborator and fellow Queenslander

Thank you for that sad news. It is possibly a happy release for her, not so long after losing Louisa. They will be together again now and that would be a happy reunion.

I will keep checking the papers for a funeral date and will attend, if at all possible.

Regards

Claire Henderson

Judith Richardson-ETIA Ltd National Instructor, Former SEO Victoria

Dear all, I add my condolences to those in ETIA who have known Lola over the years and shared the benefit of her wisdom, commitment and personal integrity she always brought to all things ETIA. May your personal memories of time with her be of comfort and inspiration to you.

Warm regards

Judith Richardson

Cherrie Secomb –CEO ETIA Ltd

Thank you for the news Robert.

Lola has dedicated a lifetime of hours not only to ETIA but also within her own community. She is a remarkable woman and will continue to live in the hearts of many.

Please pass on my wishes to the Green family.

Warm Regards

Cherrie Secomb

Aishath Shiham sent to Linda Adams in response to Linda's email below.

It was Aishath that met PET through Lola in Australia and arranged for her to conduct PET Instructor Training Workshops in The Maldives on at least three occasions.

Greetings Linda

I read the news of Lola's passing away with great sadness! She was indeed the person who brought effectiveness training to Maldives and the best possible ambassador of the programme. It is an insurmountable loss to us in the Maldives and the PET family here. I have many wonderful memories of her times she spent with us and I am so grateful for that. She was loved by all of us. I wish her peace.

Thank you Linda for letting me know Hope all is going well with the programme

Best wishes

Aishath

Dear Aishath:

I hope everything is going well for you and that you are enjoying your new position.

I also want to let you know that Lola Mavor passed away on September 2 after a struggle with breast cancer. I feel very sad about this. She was one of the people most responsible for the long success of PET and our other programs in Australia. And she introduced the Gordon Model in the Maldives, something she was very proud of.

I hope that PET and TET are continuing to be offered and successful there and have emailed Shiyama about that. I look forward to hearing from you.

Cordially

Linda

I AM NOT SURE WHETHER WE SHOULD INCLUDE THIS EMAIL – ??? May I recommend not including this as I feel it provides personal information that may be best not shared with the public
